## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, 2, 4 and 5 are allowed.
2. The following is an examiner's statement of reasons for allowance: Upon review of the amendment filed on 9/27/2004 and the prior art of record no cockpit door exists comprising: a reinforcement member fixed to an interior of the door, the reinforcement member comprising a body formed by laminating multiple layers of aromatic polyamide fiber sheets with thermoplastic adhesive and integrating the same via hot pressing, and a mounting portion formed to a rim portion of the body, the mounting portion bent 90 degrees and fixed to the door by rivets; wherein the mounting portion is created by reducing the number of sheets being laminated compared to the body.

This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
